

BAND BOOSTER MEETING FROM MAY 23, 2017

Band Booster President, Dana Robertson, called the meeting to order.

The Treasurer's Report was on the weebly for review, and the Minutes were accepted.

Trivette reviewed a few important dates for our calendars:

- Aug 19th - Tomato Festival
- Sept 22nd - Concord football game
- Sept 23rd - Preview Show

Trivette discussed the Lawn mower raffle option as a great idea. We could sell them for \$10 each or maybe 3 for \$20. Angela Lord checked with Lowe's, and they said they would sell the mower to us at their cost.

We are not going to do the parking event for the Cleveland Rodeo this year.

Dana agreed to be at the graduation ceremony to help.

We are planning for the Band Booster Officers to meet with Mark, the Mattress Guy, next Wednesday to get preliminary info for the Mattress Sale.

The dates are on the Weebly for next year's Band Booster Meetings.

Dana asked Mandy to mail the form and check for the Tomato Festival.

Mandy reported the profit for the Spaghetti Dinner at \$1070.83, and she reported the profit for the Hotdog Dinner at 337.84.

Dana said we need to call the rising freshmen that have expressed an interest in marching band. Trivette said he will send a list of who needs to be called.

July 20th is the Mattress Meeting for all band parents and the rising freshman meeting. At that meeting, we need to focus on signing up volunteers for the new year.

Dana announced that Keith and Kelli Doyle paid the bill for the senior flowers for the Band Banquet. That was awesome!

Angela Lord agreed to meet with Dana and Sandra Henderson about ordering new merchandise when the merchandise guy is ready.

Trivette said Student Account balances are looking a bit better, but they usually do at the end of the year.

Trivette reminded everyone that all Marching Band forms and NightBeat tickets are due next Friday. All money needs to be paid!

Dana thanked everyone for coming to the meeting. The meeting was adjourned.
