

BAND BOOSTER MEETING FROM JANUARY 30, 2018

Band Booster President, Dana Robertson, called the meeting to order.

The Treasurer's Report and Minutes were on the Weebly for review and were accepted.

Dana asked about the laundering of the band uniforms. We decided to use the cleaner we used last year (Vogue) and have them pick them up and return them to us.

Dana also asked about cleaning the refrigerator and the closet. Jennifer said she checked and they were pretty good.

May is the last month for chocolate sales. Students can not bring back chocolate at that point.

Trivette said we need to be thinking about a Spring Fundraiser! March 6 is the Spring Concert. May 15 is the High School and Middle School Concert combined. Maybe May would be a better time for the fundraiser.

A suggestion was tossed around for a food truck row at the May 15th concert instead of a hot dog or pork sandwich dinner. Jennifer and Tina said they would head that event. We need to think about that and decide next meeting.

The Band Banquet is May 19th

Trivette spoke about a Situation at West Middle School. They had an instance of funds missing. They are handling it now. It was a large amount of money, but the focus now needs to be helping the West Middle School Band. We don't need to involve in social media and gossip, we simply need to focus on helping the band!

Trivette talked with Coach Bell about the sale of merchandise. We need to determine what parameters we want to set. We want to sell at all of the varsity football games, but we need to determine what events another vendor could sell. We don't have to decide now, but we do need to think about it.

We started a new semester. This Friday the syllabus, notebook, etc. are due.

Tuesday and Thursday morning 7:15-8:15 is Jazz Band practice and Power B on Tuesday.

All-County Auditions are Feb. 10 at East Rowan. Students should be encouraged to audition.

The Feb. booster meeting is set for Feb. 22.

March 6 is the combined Spring Concert with East Rowan.

Wind Ensemble goes to MPA on Marsh 22.

The Oak Park Concert is March 26.

Prom is May 5.

Students should let Trivette know if they will be unable to attend any concert by this Friday, Feb. 2.

The Band Banquet will be May 19.

Graduation will be June 9.

Trivette brought up that he needs to buy or borrow a bass guitar or double bass. He received a check from Brittany Chester from the jewelry sale we did, and he also received another check. The total of both checks is almost \$500. The bass would cost about \$1200 so we would be about \$700 away from being able to purchase it.

Trivette said our immediate wish list would include a french horn, bass, and drum major podium. Gayla said she would post it on Facebook and social media asking for our followers to help.

Dana thanked everyone for coming to the meeting. The meeting was adjourned.
