

## BAND BOOSTER MEETING FROM FEBRUARY 22, 2018

Band Booster President, Dana Robertson, called the meeting to order.

The Treasurer's Report and Minutes were on the Weebly for review and were accepted.

Dana asked about the merchandise sale from Open House. Jennifer and Angela said the turn out for Open House was not as large as normal. Trivette said we made \$347.19.

Trivette said the Spring Fundraiser will be May 15th. Jennifer said they can't find food trucks willing to come. They need more people attending a function. Someone suggested Haps. Jennifer said she will check with them and also with Gayla to see if her brother's food truck would do it.

Joey mentioned that she heard Five Below has fundraising ideas. Joey will check on that.

Kim Brasington said the Firefighter Dinner that used to be Grazer's said they will feed the band during Band Camp!

All-county is 2/23. The students will meet at 7:00 am. The concert will be on Saturday at 1:00. The schedule is online.

MPA should be on March 22nd.

March 26th is the Oak Park concert. Josh and Trent will do traffic control.

Band uniforms have already been cleaned and returned!

A decision needs to be made about selling merchandise at basketball games or not. Maybe the other competitor could sell only at basketball games, and we would sell at football games, Open House, concerts, and keep our Online store.

Nominations for new officers will be done in March. Elections will be done in April with the changing of officers. Be thinking of who you would like to see in the positions.

Trivette said when we travel we have to have 1 chaperone per each 10 students. All chaperones will need to have their background check completed and be cleared. We will probably go ahead and have all the officers get that done, and then at the Open Meeting we can get the others to do it so everyone will be cleared.

Trivette said once nominations are done, we will get together for the Budget Meeting for next year.

The freezer still needs cleaning.

Our next band booster meeting is scheduled for March 27, 2018.

Dana thanked everyone for coming to the meeting. The meeting was adjourned.
